What is EnglishScore?

EnglishScore is a trusted and accurate English test and certificate from the **British Council**. The test is delivered on a mobile phone making it the world's most accessible and affordable four skills English test.

Assessing all four skills

EnglishScore offers three English tests measuring four skills (**listening, reading, speaking and writing**) and provides a breakdown of performance across key sub-skills.

Developed by academic experts

Developed with world-renowned experts from the Centre for Research in English Language Learning and Assessment (**CRELLA**). EnglishScore test results are reliable, accurate and aligned to the Common European Framework of Reference for Languages (**CEFR**).

Used by education institutions globally

EnglishScore is used by higher education institutions across the world, with tests taken in over **150 countries**.

Students can take EnglishScore at any time, anywhere

All you need to take an EnglishScore test is a smartphone, a quiet room and a strong internet connection, making it more **convenient and cost effective** than travelling to a test centre or taking a pen-and-paper test.

You can **avoid disruption to exam schedules** and cancellations by ensuring exams can take place under any circumstance.

Students receive their **results within 24 hours** of completing the test.

Track all test results in one place

- All test results are sent to the **university's dashboard**.
- **Manage results**, review security photos taken during the test and certify test sittings.
- Fully integrated AI technology makes it easy to **validate scores**.

Secure and accurate

Remote proctoring technology

AI technology tracks facial features to verify the test-taker is alone and unassisted throughout the test.

Valid and relevant

EnglishScore's test items are stored in secure banks and a detailed analysis of each item's performance is conducted regularly to ensure that the test stays relevant and accurate.

A globally recognised English Certificate

Improve student employability with a respected certificate from the British Council.

“With a qualification like EnglishScore from a reputable brand on your CV, employers are more likely to prioritise your application.”

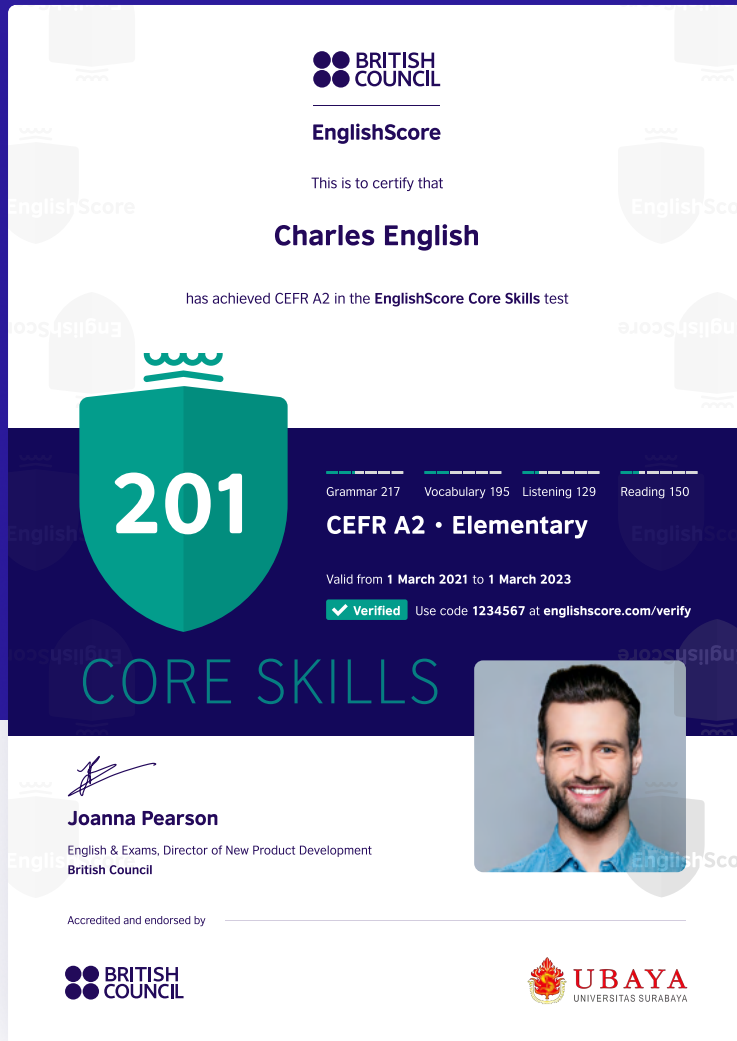

Nyoman Widiana

Director of Human Resources,
Capella Ubud, Bali

The EnglishScore certificate

The British Council EnglishScore certificate is used as **proof of English proficiency**, awarding a CEFR level from A2 to C1.

- 1 Co-branded with university logo
- 2 British Council signatory and accreditation
- 3 Skills breakdown
- 4 Unique certificate ID

Certificates are awarded for each test. When all three EnglishScore tests are completed, the student receives a Certificate Summary Report which contains all test results.

Students can download their certificates, add them to their CV and share them with their professional network on LinkedIn to advance their career.
